

Professional Assessment for Certification

🇬🇧 English

After attending the Connected Kids Professional training course, you have 12 months to complete practical assessment work; designed to build your confidence and mentor you through your teaching practice. This includes

- completing 10 case studies (5 x group and 5 x 121 sessions),
- 1 x audio/video recording of delivering a meditation to children,
- a teaching meditation business essay – to give you the confidence to set up a professional practice
- *police/PVG check
- completion of a written test

*PVG/criminal record checks; we require a copy of a basic disclosure/police check (or equivalent in your country) to confirm that you have a clear history with no criminal charges at the time your disclosure/police certificate was issued (certificate date must be valid within 18 months of the Connected Kids training).

This insurance to teach as a Connected Kids Tutors along with your Professional Connected Kids Tutor certificate, will enable you to work privately with families as a Meditation Tutor and satisfy the requirements of organisations and the education sector who are seeking professional services from a Children's Meditation Teacher.
