

terms and conditions for upgrade payment plan

- Upgrade Payment plan conditions
- Pre-requisite – you have taken the Connected Kids Foundation course
- The payment plan is interest-free. A deposit of a non-refundable £99 and the first month's payment secures your place – on receipt of this, your access the upgrade to the professional modules is available to you.
- The payment plan is then £99.99 per month (we accept most local currencies) for the next 11 months. This will commence 30 days after your deposit and first payment is received. No refunds are offered on payments received.
- If you stop payments or payments fail, your course module access will be placed on hold (and you may be removed from the payment plan and course access – we allow 14 days grace).
- You can book for the online classes (which accompany the modules) anytime with the 11 months of the payment plan. If your plan completes and you haven't attended you may be required to pay an extension fee.

terms and conditions for upgrade payment plan

- We will issue the accredited certificate once all payments have been received and you have completed the online modules, and online classrooms and passed the course assessment.
- This option is only available for current Connectd Kids Foundation members who purchase the upgrade directly from Connected Kids Ltd.
- Once your payment plan is complete, you will have lifelong access to online modules from professionals with 20 years of experience.
- Please note - there is an option to pay your course off in full before the payment plan ends. Please contact us by email (through the course modules) to access this.
- The upgrade applies to the certified Foundation course, not the Foundation subscription.
